

**INVEST IN PEACE – HELP SUSTAIN AND GROW
THE NATIONAL PEACE ACADEMY**

Your contribution to the National Peace Academy is an investment in an institution whose keystone is development of the full spectrum of the peacebuilder (inner and outer, personal and professional) while embodying and reflecting the principles and processes of peace. The National Peace Academy is a transdisciplinary, academically rigorous program of peace education, peace research, peace practice, and peace policy to develop the next generation of peacebuilders who will bring their unique background to their families and communities and to the corporate, nonprofit, and government workplace.

A gift to give for generations to come!
